### Representative Wear

All ELITE team students must have an ESA Crew Singlet & full leggings or basketball shorts. Additional ELITE Team Representative wear will be required – ie.g. ELITE Team T Shirt & Bottoms and/or full tracksuit.

### Make Up

Specific eye/ lip colours will be required for performance teams. A makeup kit can be purchased via the studio for approx \$100. Alternatively you may book an appointment with the studio to have your makeup done for you for \$15 per performance.

### Costumes

All ELITE Team costumes will be hired from the studio for the full competition year at a hire rate of \$132 per costume including GST.

Costume hire fees are due by 15 February and cover the full year, regardless of how many times the costume is worn. All costumes come with 2 pairs of correct stockings to match each costume. Costumes are returned to the studio at the end of the year, however students keep the performance stockings. Should both pairs of performance stockings be damaged during the year all further performance stockings issued will be charged to accounts.

### Hair & Shoes

All performance students are responsible for supplying their own dance shoes as specified to match the performance costume. Students will also need to supply their own hair piece e.g. flick pony/ wiglet should this be required.

## Exams

All ELITE Team students will sit jazz ballet and tap exams. An exam entry fee for each exam will apply and will range from \$50-\$200 depending on the students' age and level. Exam fees will be due at the following times:

March 31st – Ballet

April 30 – Jazz & Tap

Specific Exam attire will be required for exams. A list of requirements will be issued in term 1.

## Competition Entries & Performer Levy

A performer Levy of \$100 applies per ELITE Team Dancer & will be due upon enrolment. This covers all rehearsals at the Pilbeam Theatre for local competitions & contributes to entries for additional group competitions. Cheer competitions (total of 2 comps for the year) will incur a per student entry fee which will be payable by ELITE Team Students at the time of placing our entries. Approx. pricing based on previous years is \$50 for first routine & \$20 for each additional routine per student \*fees set by each competition and are subject to change\*

Fundraising efforts may reduce some of these expenses.

\*Performer levy does not include concert levy\*

## Competition Travel

ESA will coordinate with ELITE Teams to undertake ELITE Team fundraising to assist with the costs associated with travelling for multiple competitions. The total amount that can be subsidised throughout the year is dependant on the active fundraising of ELITE Team members and the commitment of ELITE Team members to seek sponsors for their team.
